

Do you feel trapped by the burden of debt?

If you find that you are unable to keep up with paying all your bills and don't have enough money left to provide a reasonable living for yourself or your family, we may be able to help.

We can help you review your present financial situation and prepare a budget.

If necessary, we can also negotiate with creditors on your behalf to arrange repayments that you are able to afford.

People in debt often feel very alone; we want to assist you and help relieve the pressure you are under.

Are you a pensioner on low income?

If you are over 60 and only receive the state pension, or do not earn very much, you will most probably be able to top up your income with Pension Credit.

Even if you have savings and another small income, you may still be entitled to Pension Credit.

Come and see us to find out if you are entitled to Pension Credit or phone the Pension Service on 0800 991234 or text phone 0800 169 0133

If you are on a low income you may be entitled to Council Tax Benefit even if you own your own home.

Are you receiving all the benefits to which you are entitled?

If you are unemployed, unable to work, sick or disabled and/or in need of help around the home, you may be entitled to welfare benefits.

Low paid workers can also apply for welfare benefits.

All people on low incomes may also be able to receive help with housing costs and Council Tax.

Benefits may also be available to those who need help with things like washing, dressing, getting around, communicating with other people etc.
