We could either have a large scale lunch in the church or a number of folk could host in their homes.

The idea is we invite friends, family, colleagues to join us at a Super Soup Lunch and collect a donation from each of them.

Please see info' on notice board and let Ric know when and where your lunch will be so it can be registered.

Life Centre

Life Centre is a Christian charity providing counselling for survivors of rape and sexual abuse. They are looking to train men and women who would like to serve on a Telephone Help-line in either Worthing or Chichester.

The commitment once trained will be three evenings per month, (this includes a supervision evening), on a voluntary basis. They will offer full training, so volunteers would not need to have any previous counselling qualifications – simply an ability to listen and learn. It is a 75 hour training course, starting in September 2010. If you are interested in applying, or would like further information on how you can get involved in other ways with the ministry of Life Centre, please phone the Life Centre office for an application form (01243 786349) or email training@lifecentre.uk.com, giving your name, address and telephone number.

If you know of someone who you think would be a suitable person you could recommend for this training we would appreciate you also passing this information to them personally. If you require any further information, then please do not hesitate to contact their office on 01243 786349.
