

## He's not a lie

He's not a lie  
he's not a make-up  
he's not a trick  
not a fake-up.  
He's not a myth,  
a legend or a tale  
not a commodity  
not for sale.  
Have you ever considered it might be true?  
Jesus is alive and he loves you.

He's not an opiate  
he's not a dreamer  
a state of mind  
or a schemer.  
He's not just a good man  
who lived long ago,  
or a secret that  
only some can know.  
Have you ever considered it might be true?  
Jesus is alive and he loves you.

He's not just one route  
to the same conclusion.  
Not a programme  
not a delusion.  
He's not a prop  
to comfort the naïve:  
A happy place  
only fools believe.  
Have you ever considered it might be true?  
Jesus is alive and he loves you.

He's the saviour -  
he died for you.  
He offers his love  
what will you do?

Will you accept him as your friend?  
Then your life will have no end  
and you will know that it's all true:  
Jesus is alive and he loves you.
